

2ND SARAWAK RESEARCH AND DEVELOPMENT COUNCIL (SARAWAK RDC) GRANT CALL

The Sarawak Research and Development Council (Sarawak RDC) announces the 2nd Sarawak RDC Grant Call. The goal is to promote research and development, and foster collaboration between government agencies and institutions of higher learning, public, private sector scientists through joint scientific projects.

The Research Council would like to invite scientists based in Sarawak to submit their proposals in the following priority areas:

1. Bioindustry and Biomedical health sciences
2. Biodiversity and Environment (including Forestry)

Please refer to details in the guidelines, and on our website at www.sarawakrdc.org.my.

Proposal submission requires at least one Sarawak-based principal investigator, and demonstrate interagency collaboration.

Call opens : 7th September 2020

Submission deadline : 10th October 2020, 23:59hrs

The following grants are currently open for applications:

Grant Schemes	Grant Ceiling
Research Initiation	55,000
Catalyst	250,000
Special Venture	200,000
Commercialization Fund	130000
Thematic Programmes*	Total allocation
Theme 1: War on infectious diseases	5,000,000
Theme 2: Engkabang	5,000,000

*Grant ceiling varies per project proposals. Details may be downloaded from our website.

All projects can be up to 36 months in duration. For each project, a sum up to the ceiling shown under each category shall be granted. For Special Venture Grant, a matching equal to the amount granted is required to be secure prior to receiving the grant from Sarawak RDC.
